

OUR MISSION

To assist IFOSuD in teaching valuable economic skills to help reduce poverty and in its efforts to spread the gospel of Jesus Christ to the people of Haiti.

OUR VISION

To see families able to sustain themselves financially, live in communities which support one another, and see their hearts turn to Christ.

JOSEN

Josen is a man filled with the most contagious joy. He is a small business graduate who sells CDs and DVDs to pay for his children's education and his home.

He was deeply touched by the personal relationship that his field monitor (An IFOSuD staff member) initiated with him to accommodate his old age and learning difficulties. He is proud to be part of an organization that has helped numerous people throughout his community - directly and indirectly.

““ I can't stop saying how excited I am to be part of IFOSuD!
