

# IFOSuD Staff Update!

When IFOSuD first started its operations in 2012, the staff was composed of 9 people. In 2020, we had 22 people employed by IFOSuD, including field monitors and office staff.

We are so blessed to see our local team grow every day!

## BENEFICIARY TESTIMONY Micheline Dorismond

“My name is Dorismond Micheline. I am a mother of 4 children. I was in the small business program through IFOSuD. IFOSuD has helped me a lot and has disciplined me in the way to do business. **Previously, I tried to do business more than ten times, but I always failed. I thought there was a wicked spirit fighting against me. Yes, there was a wicked spirit which was a lack of knowledge and business skills.** Since the day I started to take the IFOSuD business training, a huge change has occurred in how I see things. Now, I know the purpose of business; I know how to calculate production cost; I know how to manage my expenses, and I even know if I take something in my business to give away to someone I have to register that because it’s going to reduce my profit margin. My business is small today, but with discipline I expect it to become big. **I can’t wait to contribute teaching to other small business ladies to take care of their businesses.** Thank you, IFOSuD, for all you do. I am a Christian and the spiritual training has strengthened my faith, and I feel ready to share the gospel. **Today, even though I am the mayor of this county, I want to give the key of this community to IFOSuD.**”
